

## From the Pastor's Desk

**A Remembrance of our Recently Deceased** As we begin the month of November, traditionally a time of remembrance and thanksgiving, we especially remember those recently deceased from our parish community as we celebrate the Feast of All Saints.

At the 9:00 a.m. Mass their names are read and a lighted candle placed for each name. Let us remember in prayer all our beloved dead -- those from our families, our friends and our community.

### All Souls Day, Nov. 2, 2015

As we keep in prayer those who have died, entrusting them to the eternal mercy of God, join us for the Commemoration of All Souls at the Monday morning mass, 8:30 a.m. at Assumption Church.

### National Vocation Awareness Week Nov. 1-7, 2015

This week we celebrate a week dedicated to the prayer for vocations. This is a week when we remember the need of our local church for more seminarians, priests and religious, but it is also a week when we remember that God has created each of us for a definite purpose. While we want to pray for more priests and religious, we need to be open to the calling that God has placed on each of our hearts as well.

- ❖ Have you been created to give yourself entirely to one person for the rest of your life and through that marriage bring forth new life and lead them with you to heaven?
- ❖ Have you been created to give yourself entirely to all the people in a local church at the service of the Gospel and to stand in the place of Christ in the most important moment in the lives of your parishioners?
- ❖ Have you been created to love God above all and to be a bride of Christ, being a witness of the marital union we can all hope to attain one day in heaven?
- ❖ Have you been created to witness to the love of Christ in the world as a single person who is entirely satisfied by the love Christ offers you?

Each of these paths are a unique calling and each one of us has been created to follow one of these paths in our own unique way, giving all our gifts and talents to the service of God in the way he has created us to use them!
