Catholic Campaign for Human Development 2015 Next week's collection for the Catholic Campaign for Human Development (CCHD) needs your help. CCHD was founded to end the cycle of poverty in the United States by funding

organizations that help individuals help themselves. With the tradition of improving education, housing situations, and community economic development, CCHD continues to make a positive impact in communities nationwide. Your contribution will defend human dignity and reach out to those living on the margins. Please give to the CCHD collection.
