## Be Careful

There have been car break-ins reported in church parking lots in neighboring communities. The thieves are entering cars that are left unlocked and breaking windows and doors to gain entry into cars that are locked where valuable items (laptops, cellphones, tablets, purses, etc.) can be seen. They know they have time to help themselves to your items while you are attending mass. Please make sure you lock your car and don't have any visible valuables. If you see someone acting suspicious by going from car to car here at Assumption, please call the non-emergency police number at 825-2280.
