### World Mission Sunday 2017

Next weekend, October 22, we will celebrate World Mission Sunday. Each year, the entire Church is invited to support the young mission dioceses in

Africa, Asia, the Pacific Islands, and parts of Latin America and Europe, where priests, religious and lay leaders serve the poorest of the poor. This year, we are invited to "Chat With The Pope" to learn more about his missions. Scan this year's World Mission Sunday poster using Facebook Messenger for your mobile device, or learn more at [ChatWithThePope.org](http://ChatWithThePope.org)

### Parish Remembrance of the Deceased of Assumption

Parish will take place on **October 28 at the 4:00 p.m. Saturday evening mass.** During this liturgy the community will remember those from our parish who have died since the last observance of All Souls Day as their names and a candle lit in remembrance. We extend an invitation to the families of the recently deceased to join us for this liturgy as our recently deceased are remembered.

### Thank You!

My thanks to the members of the Young Adult Group who sponsored and organized the recent Spooky Pig Roast on Saturday evening, October 7<sup>th</sup> and especially to Ken Hennel, Tim Kinne, Dave Sterwerf and John Sterwerf who provided the means for the roasting of the hog (taking about 12 hours of time before the party began.) As in past years the evening has been noted for its good food and its opportunity for fun during the October fall days and our approach to Halloween. This parish fundraiser was created as an additional way of generating funds for the parish when the Tuesday evening Bingo program was cancelled. It is our hope that its success continues to grow through the support of our parish community. Again thank you to all involved in this event.

## Seniors

The Seniors Ministry will be hosting a presentation from members of the National Federation of the Blind at our next luncheon (Wednesday, October 18, at 11:30 A.M. in Assumption's Providence Room). They will share information on the Federation and will demonstrate how Blind people perform many daily activities, such as travel, reading Braille and using computers and other technology. All are welcome to attend!
