### Weekly Bulletin ~ August 23, 2017

We are so excited to welcome the students and faculty back to OLG for the 2017-18 school year! Returning students are helping our new students get into the routine, and we are looking forward to another great year!

Everyone did a fantastic job this morning at drop off. The lines seemed to work really well! Please follow directions from the teacher in the upper lot during drop off and pick up. This will enable everyone to stay safe!

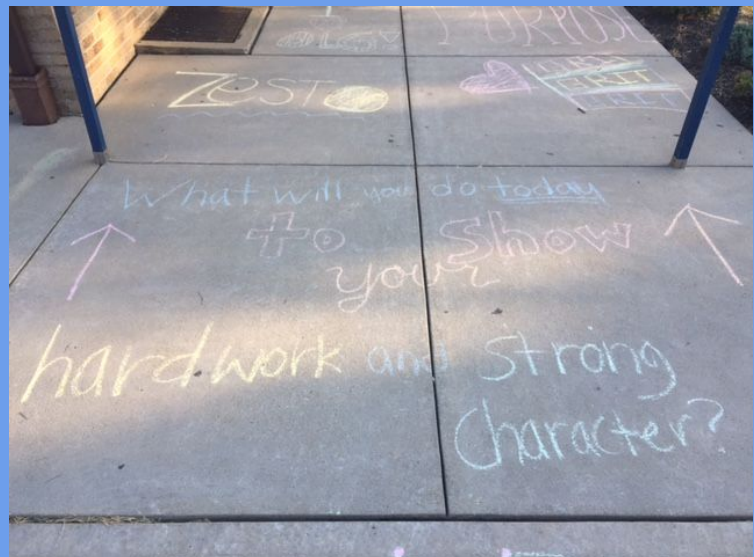

The lower lot will follow the same pattern as last year. Parents are welcome to park their cars in a designated parking spot facing the west side of the lot. You can sit and wait or get out to meet the students in the grassy area by the front of the bus line. Also, please NEVER back up your vehicle, because students are coming to get in cars. Once the students have safely reached the vehicles, you are asked to please exit at the front of the bus line. Just like the students, we ask our veteran parents to help our new parents as needed. Safety is our #1 goal!!

A huge thank you to our 7th grade resident artists for their wonderful sidewalk art this morning. The pictures and sayings were a great way to start our first day at OLG where **HARD WORK** and **STRONG CHARACTER** matter!
